

BIBLE STUDY

Pastor John will lead our Bible Study next Sunday. We will concentrate on the crucifixion and resurrection of our Lord. Hopefully we'll have better weather so that we can all get together again.

TEN MINUTE TALK-ABOUT

Continuing today, as a way to deepen our experience of worship, members of the consistory will be offering a short discussion about an idea or topic related to the sermon and scripture readings. Grab your coffee and snack and join our team leader at the tables in the sanctuary!

CHURCH FAMILY

Let us continue to remember our sisters in prayer:

Someone neglected to put Rosemary on the therapy list with the result that she just now is beginning with rehab. She still experiences pain and discomfort and asks that we continue pray for her. Her address: 13040 N Grange Road New Berlin, WI 53151.

Dee Tebeest is doing very well in her recovery. The doctor has given her permission to soon start driving again. She is glad to be at home and is very thankful for the prayers of the congregation.

Nikki's arm requires more surgery. It appears that a couple of bones in her elbow that the doctor had put together have come apart and through surgery need to be connected again. The surgery may take place some time early this week. Please keep Nikki in your prayers .

Welcome to New Life! We are glad you are here. If you are a first time visitor, please accept our gift at the Welcome Center and join us in fellowship after the Worship Service. Stay for coffee, treats and conversation. Please take one of the pew Bibles home with you if you don't have one of your own. Make sure to fill out one of our connection cards and place it in the offering plate or give to an usher. Assistive listening devices are available in The Sound Room (located at the back of the Sanctuary) for those needing auditory amplification.

We have Nursery for infants and toddlers, age 4 and under immediately after The Kidz Korner, as well as Sunday School for children ages 5 to 12. If your children do go to nursery or Sunday School, please meet them in their classroom immediately following the service. Sunday School does NOT meet the first Sunday of the month. Children's Activity Bags are located on the wall at the first Sanctuary entrance. Parents and children may also sit in the Narthex area during the service and still participate in worship. We hope you will come back and join us in Worship and Fellowship again.

QUESTIONS TO CONSIDER:

1. Discuss the meaning and application of the hard soil, shallow soil and weedy soil.
2. Take some time to pray for good soil (hearts that respond rightly and productively to the seed of the Word).
